## EMPHATIC GUARANTEES.

Which are Justified by an Extraordinary Public Experience.

TO THE PUBLIC.—Greeting: As the conductors of the largest business of the kind in the world (and therefore having an extraordinary experience), we feel justified in making the following statements:

### Our Theory Proved.

FIRST.—We have held from the beginning that most of the common ailments are caused by primarily kidney and liver disorders, not primarily by bad blood; that bad blood is caused by temporary or chronic derangement of the kidneys and liver, and that by restoring these blood-purifying organs to health, we could cure most of the common ailments. Other practitioners, however, have held that extreme kidney and liver disorders were incurable. We have proved to the contrary in thousands of cases.

### Safeguards Against Epidemics.

SECOND.—The kidneys and liver are the sewers of the system, and unless they are kept in perfect working order no amount of public sanitation can prevent epidemics raging among the people. The prudent man, in the winter and spring, will fortify the system against any such possibility. Doctor Koch, the celebrated German Scientist and physician, says, for instance, that cholera will have but little effect among those who keep the digestive organs and the kidneys and liver in healthful operation. Warner's SAFE Remedies are the best scientific curatives and preventives, and should be used now as a safeguard against any future scourge.

### Scientific Specifics.

THIRD.—We do not cure every known disease from one bottle, for Warner's SAFE Remedies number seven scientific specifics, which have been put upon the market, only in obedience to strong public demand.

### Recognized Standards.

FOURTH.—Warner's SAFE Remedies, spite of all opposition, have won the favor of the profession as well as the masses, and are recognized as the leading standard medical preparations.

### Strong Guarantees.

FIFTH.—After six years of unequalled experience, we can give these unqualified guarantees: GUARANTEE I.—Pure and harmless. That Warner's SAFE Remedies are pure and harmless.

GUARANTEE II.—Testimonials Genuine. That the Testimonials used by us, so far as we know, are bona fide, with a forfeit of \$5,000 for proof to the contrary.

GUARANTEE III.—Curative Effects Permanent. That Warner's SAFE Remedies are not merely temporary, but permanent, in their curative effects and will sustain every claim, if used sufficiently and as directed.

### Proofs of Permanency.

SIXTH.—Special inquiry among hundreds of our oldest patients results in unequivocal testimony that the cures wrought six, four and three years ago, were permanent. And most of these patients were pronounced incurable when they began Warner's SAFE Remedies.

Read a few of thousands of testimonials:

B. J. WORRELL, Ellaville, Fla., in 1879 was prostrated with Bright's Disease of the Kidneys; 60 bottles of Warner's Safe Cure restored him to health. In 1884 he said: "I have been cured four years, and my case is miraculous." Mr. W.'s case and cure are certified to by Ex-Gov. G. F. Drew.

N. P. CHEDDISTER, A-henville, N. C., was cured of Strained Back and Rheumatism in 1881 by Warner's Safe Cure, and November 28th, 1884, he wrote: "I have since been sound and well."

Rev. J. P. ARNOLD, Camden, Tenn., for ten years suffered from Abscesses. In 1881 he began to use Warner's Safe Cure, and in June, 1884, he wrote: "My health is as good as ever."

DAVID TOOKER, Columbus, Tex., in 1880 was cured of Black Jaundice and Hemorrhage of the Kidneys, by Warner's Safe Cure. July 1st, 1884, he wrote: "My health has since been excellent."

Ex-Gov. B. T. JACOBS, Westport, Ky., was prostrated in 1882 with severe Kidney disorders, and lost forty pounds of flesh. He began to use Warner's Safe Cure in 1883, and June 28th, 1884, he wrote: "I have never enjoyed better health, all owing to Warner's Safe Cure."

Warner's Safe Cure for his daughter who had Bright's disease, and had been given up as incurable by the best physicians. In November, 1884, he reported that she was in excellent health, and gave the credit wholly to Warner's Safe Cure.

W. E. ANDERSON, Black Water, Florida, past Grand Master Mason of the State, was cured of serious Kidney and Liver disorder in 1882, and in November, 1884, he reported his health as excellent since Warner's Safe Cure restored him.

SIXTH.—It is a source of great gratification to us that Warner's Safe Remedies have been permanently beneficial to so many sufferers. This permanency of power over disease gives them the most exalted rank, and in this particular they have no equal.

"A Celebrated Case" was affectively given at the Mount Morris Theatre last evening by Mr. Bennett Matlack's Company, before a large audience. The management put the piece on in handsome style. Mr. Matlack's *Jean Renaud* is deserving of notice, and was a clever bit of acting. —New York Herald.

### Editor Roundabout:

DEAR SIR:—You will please give me space in your paper to reply to the following paragraph:

Dr. S. F. Smith announces himself a prohibition candidate for the Legislature. If there is a prohibition party in Franklin county he should have had the politeness to ask it for the nomination. The probability is that the Doctor is a party in himself. —Yeoman.

I would inform the Editor of the Yeoman that I did not have to ask for a nomination, nor buy it with money and whiskey, and that I am for good government and opposed to bribery, corruption and party tyranny. I was called into the field by sober men and will make the race in the interest of the tax-payers, morality and humanity.

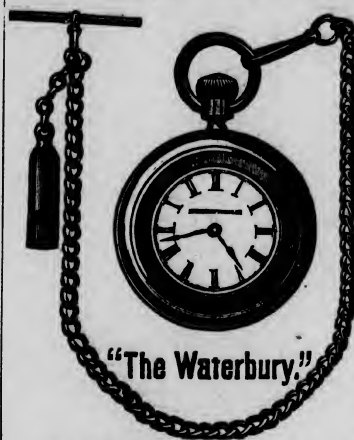

I am not in the race for the profits and honor accruing to a Representative, but as a duty I owe to my county, my State, and my God.

Respectfully,  
S. F. SMITH.

We, the undersigned, have made and used, "Bernard's Challenge Labor-saving Laundry Soap," and find it to be a first-class soap. Mrs. Dr. George China, Mrs. Whit. Hall, Mrs. Will. Hawkins, Mrs. R. B. Parsons, Mrs. Geo. A. Lewis.

### BASE BALL.

The season of the Inter-State League was opened in Lexington on Friday by the Frankfort and Lexington Clubs, the score standing at the close of the game 8 to 5 in favor of the latter.

On Saturday the Lexington team came to this city and played the second game of the series with our home club on the grounds at Capital Park, and were done up in handsome style, the score standing 15 to 1 in favor of our boys. The game was beautifully played and was greatly enjoyed by quite a large crowd. Lyden, who pitched for the Frankforts, was too much for the Lexingtons, only three safe hits being made off his delivery, and Hammond supported him in his usual good style behind the bat. Harrison played first base to perfection and his batting was magnificent, while Shenkie covered third base beautifully, put every ball that came near him squarely into Harrison's hands, and was a sure hitter with the bat. We venture the assertion that no club in the Inter-State League can show two better basemen than our own first and third. Schildknecht and Wells played center and right field and took in several very pretty flies.

The Lexingtons played here again on Monday and turned the tables on our boys with a score of 7 to 3, having their brag pitcher, Reising, in the box. Wells and Schildknecht pitched and caught for the home team, and while the Lexingtons seemed to bat Wells with ease only six safe hits were made off him. In this game our boys were a little off and did not play as well in the field as on Saturday, but it was a well contested and very interesting one. Their batting was heavy at times and the Lexington out fielders were given a chance to catch some pretty long flies, which they did not fail to accept.

The game set for Tuesday in Lexington and the one which was to have taken place here on Wednesday were postponed on account to the Lexington races and the circus. Our boys will play in Lexington Monday afternoon.

The following is a list of the games to be played by the Frankfort Club away from home during the season:

At Dayton, Ohio—May 27, 28, 30 (p. m.); July 3, 4 (p. m.); August 6, 7, 29, 31. Erie, Pennsylvania—May 25, 26; July 6, 7, 8; August 22; September 8. Lexington—May 11; June 9; July 14, 20, 28; August 22; September 3. Springfield, Ohio—May 20, 21, 30 (a. m.); July 2, 4 (a. m.); August 8, 10, 27, 28. Youngstown, Ohio—May 22, 23; July 9, 10, 11, 31; August 1; September 19, 21.

The Dayton Club have disbanded and a club organized at Sandusky, Ohio, have taken their place. The games given above to be played at Dayton will therefore be played at the latter city.

There will be preaching Sunday at three o'clock at the Church in Lees town.

Mr. Robert Sanford, having come to the conclusion that he has held the office of County Assessor long enough, has withdrawn from the race for the nomination for a re-election. He wishes to return his sincere thanks to all those who have pledged him their support, and hopes they may find among the many aspirants for the place men well worthy of their votes.

The series of lectures given by Hon. George R. Wendling in this city was a financial success, and they were greatly enjoyed by all who heard them. The gentlemen who invited him here were enabled, from the receipts, to pay all expenses, give a free lecture, and still declare a dividend. It is to be hoped that our people have now become sufficiently interested in the matter to induce other fine lecturers to visit our city.

A burglar entered the house of Mr. J. C. Mastin, in Belle Point, Tuesday night, through the parlor window, went up stairs into Mr. Gilbert Mastin's room, and carried off a new pair of pants, a nickel-plated watch and chain and some other small articles of value. He left with the pants, doubtless thinking that he had all of Mr. Mastin's valuables, but had he only lifted the tray of his trunk he would have found a brand new suit of clothes, a fine gold watch, and some thirty dollars in money.

Tuesday afternoon Will Riley and Horace Buford, two young colored men, were going over their foot line in a boat, just above Macklin's wharf, when the steamer Dora backed out suddenly from the bank, where she had been tied up, and having but one oar they could not get out of her way. The wheel of the Dora struck the boat, crushing it to pieces, and throwing both men in the river, where they came near being drowned, but the hands on the Dora threw them ropes and got them out. In the collision Riley's left arm was broken in several places, the bone being so badly shattered that it had to be amputated between the elbow and shoulder, which operation was performed by Drs. E. E. Hume and Sam James in a short time after.

#### FRANKFORT ROUNDABOUT.

FRANKFORT, MAY 6, 1885.

Capt. E. O. Hawkins, of this county, has in his possession a walking cane one hundred and fifteen years old.

The ladies of the Baptist Church presented their pastor, Rev. Geo. F. Bagby, with an elegant gold watch last week. Mrs. P. Wingate represented the ladies in the presentation.

Mr. J. Price Williams and Miss Kate C. Noonan were married at the Catholic Church Wednesday morning by Rev. Father Young. They left on the 10:20 train for a short visit to Cincinnati.

At the Democratic primary election held on Saturday to nominate a candidate to represent this county in the next Legislature, Col. S. I. M. Major received a majority of 291 over his competitor, Mr. R. C. Church.

Some of our gardeners are complaining that the Colorado potato bugs, the old ones that come first in the spring, are attacking and destroying their tomato plants. One gentleman has had a large number of fine thrifty plants entirely eaten up by them.

The blue ribbon temperance movement has been started in Georgetown by Hon. Lou. J. Beauchamp, of Ohio, and Capt. R. S. Chevis, of Louisville. There have been 200 signers to the pledge. Meetings are held nightly at the Court House.

The contract for grading the railroad between Versailles and Midway has been let to Messrs. Swooney & Dolan, of Lexington, who have bound themselves to complete it within sixty working days from yesterday. The mile are to be laid as fast as the road is graded.

The primary election Saturday was a repetition of the old story. Money and whisky were the principal arguments used to convince the voters who was the best man. Some of the whisky was of such recent manufacture that it had to be colored before it was sent forth in jugs to do its work of influencing the floaters.

The protracted meeting which was begun at the Southern Presbyterian Church on Friday evening of last week, is still in progress. Rev. Dr. E. O. Overant was taken sick and had to go home Wednesday evening, but Rev. Dr. Witherspoon has taken his place. There have been several additions to the Church.

A colored boy by the name of Ben Johnson, aged about 16 years, was sent to the river Tuesday morning to water a horse, and went to the city wharf. Instead of going to the place where the water was easy of access, he rode over the edge of the wharf, where the water was 12 or 14 feet deep, and as the horse went in head first he fell off and was drowned. An effort was made to save him by persons near by, but proved fruitless. The body was recovered about noon that day.

Mr. A. C. Ingold, a log dealer from the Mountains, had his pocket picked in the side show of Cole's circus on Tuesday, and lost a pocket-book containing \$76. Two other gentlemen, whose names we did not learn, also lost their pocket-books containing small sums of money, in the same tent.

Mount Morris Theatre—"A Celebrated Case."

A fine performance of "A Celebrated Case" was given in the Mount Morris Theatre last night by Mr. Bennett Matlack's efficient company. The play is too well known to necessitate anything more in the way of a notice than that it was finely acted throughout and superbly mounted.—New York Truth.

The stone work of the Government building was completed on Saturday and the thubers for the roof are now being placed in position.

The young ladies of the First Presbyterian Church will in a short time give a strawberry festival for the benefit of the Church.

Cole's Circus exhibited here on Tuesday, according to announcement, but did not draw as large crowd as such exhibitions usually do. It was as good a show as the average circus.

Dr. J. I. Lighthall, the great Indian doctor, who with his associate physicians, brass band and retainers, making a party of about fifty people, who have been encamped in the lot at the foot of Steele street for the past four weeks, struck their tents Wednesday and began moving to Lexington. It was reported on the streets Thursday that the Doctor had been robbed of his diamonds in that city, but it proved to be false.

### Belle Point

Our town has been no order of late that we have dispensed with the office of Marshal.

It was estimated that one thousand persons passed through here Tuesday going to circus.

Judge Pence bought this week of Mr. John Newman a fine young wagon horse for \$125 cash.

Mr. Jack Zook and family have moved to their new house on the Devil's Hollow pike near town.

Mr. Robt. Taylor and family have moved into one of Mr. Henry Polsgrove's houses on Front street.

Mr. W. E. Williams and family, of Tyrone, have moved into one of Mrs. Lewis' houses on Benson Avenue.

Dr. Smith will get a strong vote for Representative over here in August. Several staunch Democrats remained away from the polls Saturday in order that they might vote for the Prohibition candidate.

The bids on the new school-house will be opened as soon as the subscription increases a little more. Mr. Hiram Berry subscribed \$50 this week and Dr. J. I. Lighthall also made a liberal subscription in cash.

A burglar entered the residence of John Mastin Tuesday night and robbed his brother, Gilbert Mastin, of a watch and chain and pair of pants. Mr. Mastin had been to the circus and was sleeping very soundly at the time.

### Antioch.

Mr. Gus. Robinson, of Belle Point, was out last Sunday.

There will be an abundance of fruit this year, judging from present prospect.

Miss Carrie Fennell, of Frankfort, spent last week with her sister, Mrs. Tom Hales.

Miss Nora Gore left last Saturday week for Winchester, on a visit to her sister, Mrs. Kate Shucklerford.

We understand that besides the five candidates for Jailer, Bald Knob has a candidate for county attorney, and we think she is entitled to recognition by the Democrats of the county. So trot out your man, B. K.

### "Wonderful Efficacy."

Some people are slow in telling what good things have been done for them, but Mr. John P. Daly, of Gillsonville, B. C., says he takes great pleasure in testifying to the wonderful efficacy of Brown's Iron Bitters in dyspepsia, fever and ague, and general debility of the system. He has personally experienced the most satisfactory results from the use of this valuable medicine. Make a memorandum of this, all ye whose system are run down. Brown's Iron Bitters will cure you.

For the information of witnesses who have been summoned to appear at the next term of the Federal Court in this city, we insert the following letter received by Deputy United States Marshal Con. McCarthy:

OFFICE OF U. S. DISTRICT ATTORNEY OF KENTUCKY, LOUISVILLE, KY.

C. MCCARTHY, Esq., Deputy U. S. Marshal, Frankfort, Ky.

SIR: Appropriations for the payment of jurors and witnesses at the May and June terms have been exhausted, and court will be held only to receive pleas of guilty.

GEO. M. THOMAS,  
U. S. Attorney.

### To the Teachers of Franklin County.

The time for the meeting of the S. T. A. is drawing near. Shall the teachers of this county be represented or not? Are you dead to the great question of school reformation? Are you willing that others shall step in and carry off the honors that are, or may be yours simply by using a little exertion?

It is a shame, ay, a disgrace, to our county to know that she is behind every other county in the State in every thing pertaining to school matters.

There, under the eaves of our Capitol, with all the machinery and the wisdom of our school system in our midst, with every facility at our command to make our county the foremost in the grand army that is assembling to wage an unceasing war against ignorance, we find ourselves left far in the rear, with scarcely a corporal's guard ready for the fray.

Why this indifference? This lethargy? Have you no love for the profession you have voluntarily chosen? Is there nothing about it to call for even a show of respect? Why do we talk of the indifference, the non-interest of the people in school matters when we set them the example? Were you engaged to the work in which you are engaged, you would soon rouse others, and they in turn others, and so on until all would feel the effect.

In conversation with Col. R. D. Allen, the president of the S. T. A., I learned that only three copies of the proceedings of the Association had been sold in this county.

The next regular meeting of the Franklin Co. Teachers' Association will be held in the grand army hall at which time officers for the coming year will be elected, and important matters attended to.

Let us meet and prepare for the next school year. Will you come, or shall we disband and send word to our worst teachers in convention assembled that we of Franklin county have no interest in such matters?

Hoping to see all of you at that time ready and willing to engage in the good cause, I make this appeal to you. Your Fellow Teacher and Servant,  
T. HUNTER,  
Vice-President F. C. T. A.

Bridgeport.

The farmers are busily engaged shearing sheep.

The prospects for an abundant yield of oats is very good.

From present indications the fruit harvest will be immense.

Mrs. Martha Reed, who has been quite sick for some time, is better.

Rev. T. N. Arnold, pastor, preached at the Bridgeport Christian Church last Sunday.

Mr. Churchill Bailey, who has been in feeble health for some time, has been very much worse this week.

Mr. John Miles, of Louisville, dealer in marble, was in this section the first of the week soliciting orders for tombstones.

By order of the Presbytery, Rev. R. E. Caldwell will preach at Franklin Church to-morrow afternoon at 8 o'clock.

Mrs. Ella Parent, though reported as dying last week, to the great joy of her many friends is gradually recovering.

We were shown a pumpkin by Mr. W. H. Dennis last Tuesday, in a perfect state of preservation, it being one of a lot kept during the entire winter.

The appointment of Hon. James Blackburn as Revenue Collector for this district, is a source of great rejoicing among his friends in these parts.

Died.—At the residence of her husband, Mr. Churchill Bailey, in Bridgeport, Ky., April 29th, 1886, Mrs. Julia Bailey, in the 73d year of her age. Obituary next week.

This section was not as largely represented in the Bridgeport circus day as is usual on such occasions, and of those who were present only two acknowledged that they went expressly for the purpose of seeing the show.
